New Hours

We are now open Thursday evenings from 5 to 9 pm

0 The Fool

Tarot by the Numbers

Kathy Eckert is starting a new 10-week introductory course

7 pm Wednesdays

Suggested donation is \$5 per session.

The first three weeks will cover the origins, structure, terminology, symbolism, the Major Arcana, and the Court Cards. The next six weeks will discuss the meanings of the numbered cards, and the last class will be a wrap-up.

Spring Book Sale and Fund Raiser

A shared fund-raiser with [Cherry Hill Seminary](#) in honor of its patron,

Hypatia of Alexandria

Saturday, April 19, 2014

6pm - 10pm

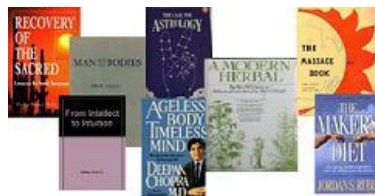

[Shoreline Unitarian Universalist Church](#)

14724 1st Ave NE in Shoreline, in the Chrysalis Building

A wine & cheese party with Greco-Roman flair!

Bring your wallet for the wine tasting.

Come for food, discussion and information about these great organizations.

We've recently received six boxes of books, many of which are duplicates that we are selling at this fundraising event. Many in pristine or very good condition. We are also including other books that have been donated and are either duplicates of our books, or not part of our collection criteria.

Come early for the best selection - most are priced \$2 or \$3.

Kathy Eckert will be doing Tarot readings

Ken Reed

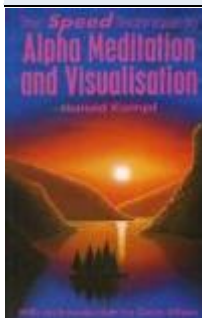

Saturday, May 3
11 am at the Library

“Our lies keep us from allowing our power and natural intuitive intelligence to emerge for a full, joyous and abundant life.”

Ken Reed, Filmmaker, Explorer, Spiritual Seeker and House Holder draws from a lifetime of rich experience of life not only as an adventurer but as a man searching for meaning and willing to taunt life by living on the edge to share his conclusion in his book, *The Art of Falling Back Upon Oneself and the Yoga of Lies*.

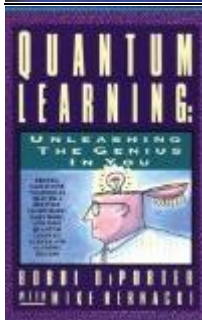

New books we've received

We recently received a large donation of books – here are a few

[Speed Technique to Alpha Meditation and Visualization](#) by Harold Kampf and Colin Wilson (Jul 1995)

Presents an accelerated relaxation technique accessible to beginners. The book promotes meditation and visualization as a way to banish anxiety, stress, depression and negative thoughts.

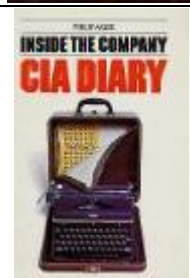

[Quantum Learning: Unleashing the Genius in You](#) by Bobbi Deporter and Mike Hernacki

Take control of your life... free your natural genius to perform to its true potential. Quantum Learning features a revolutionary new format that introduces the reader to a world of learning unlike any other. Designed to accommodate the unique learning style of the individual this guide will increase your personal power, help you learn more, earn more, and take you where you want to go..

[Star Fire](#) by Ingo Swann

Fictional story about a rock superstar who has discovered his own astonishing Psychic powers, his out of body mind voyages have revealed rival Russian and American instalations for developing psychic weaponry. *Note: Ingo Swann was the premier psychic in the Army and CIA psychic warfare and remote viewing program.*

[Inside the Company: CIA Diary](#) by Philip Agee

A deep cover, twelve-year CIA officer in secret operations opens a window to CIA activities in 3rd World countries. The first uncensored expose of CIA operations by a former agent. After writing this book, Agee was forced to move to Cuba for his protection.

Upcoming conferences we are planning on attending

PHCP Preserving the Historical Collections
of Parapsychology
2014
UTRECHT June 12 -14, Utrecht, Netherlands

The purpose of this first international meeting is to bring together researchers, archivists, librarians and other professionals who are concerned about the large number of research collections in the fields of psychical research, parapsychology and Spiritualism that are at risk of loss.

9th Annual Conference on Precession and Ancient Knowledge
October 17 – 19, Rancho Mirage, CA

Myths of ancestral people speak of a time when humans walked with the gods and lived in harmony with nature on a pristine Earth. They whisper of a long lost Golden Age, and a celestial driven cycle where the rise and fall of the ages flows like seasons. Most of all, they speak with reverence about the stars and our connection with the heavens.
