Ancient Aliens and Human History Study Group

Monday, Sept 7 7 – 9 pm

Free for members, \$5 for non-members.

Our book this month is *Gods of Eden* by William Bramley.

Bramley discloses the sinister thread that links humanity's darkest events -- from the wars of the ancient pharaohs to the assassination of JFK. In compelling work to extraterrestrial visitors who have conspired to dominate Humanity through violence and chaos since the beginning of time...a conspiracy which continues to this very day.

He goes into the material we have covered with other authors concerning the various tablets found in the ancient middle east, as well as the growth of European secret societies.

You need not have read the book to attend the discussion, where those who have read the book will recount to what they remember, and we can encourage and discuss our understanding of the book. This is a good way to learn complex information, and helps everyone get a better understanding of the material.

Talking Tarot: The Symbols Speak

Wednesday, September 9 7 – 9 pm

\$7 (half goes to support the Library)

The Tarot Group has been an incredibly spiritual bonding experience, not to mention just plain fun. Few if any of our classes have required any prior knowledge of the Tarot, but all have required a willingness to explore our own intuition.

This series will again approach the Tarot from that viewpoint, learning about it by speaking its own language – that of symbolism.

If you own a Tarot deck, please bring it for our weekly spread. But we always have extra decks, so it's not necessary to purchase one.

Contact Kathy Eckert at kathy@seattlemetaphysicallibrary.org or just show up – What's Tarot without Serendipity?

Emotional Freedom Techniques Tapping Meeting with Dena Przybyla Thursday, September 17 7 – 9 pm \$15

Emotional Freedom Techniques (also known as EFT or “tapping”) is a simple meridian balancing technique that can produce rapid healing results. It has been described as "acupuncture without the needles." Instead of using needles, we tap while holding in mind the physical or emotional issue we wish to clear.

He has also trained intensively with other elders from South and North America.
