## Huge Sale

We have recently had two very large donations.

One is the legacy library of Janine Thompson, a long-time Library member. She had a large collection of Tarot books and decks, as well as books on Aleister Crowley, the Kabbala, astrology, runes, Wicca and other books on similar subjects. These books and decks are mostly in pristine condition, a few are gently used. Not all the books will be set out at once, since there are so many. Some of them are still in the donor's garage, waiting to be transported to Seattle, and some are still being sorted, so be sure to check back every now and then to see what's new. We are working on getting the list of books for sale on line, but even if we do, it won't be updated very often so it will be mostly a guide, rather than a shopping cart..

We are tight for room, and to make room for the new decks Janine has donated, we will sell some of our existing decks. Most of the decks will be priced between \$8 and \$12. Normally Tarot decks are between \$20 and \$40, so this is a great opportunity for you to venture into new territory. We will also be selling some of the decks we have in our collection that are not complete. We use these occasionally for art projects, and we will be selling these decks for \$2 - \$3 dollars.

Kathy's Tarot class Saturday morning (see the notice below) will get first crack at the Tarot material, however, sales are not restricted to people who signed up for her class.

The other large donation was from Eco-Elements, who went out of business this summer, and donated their remaining inventory, mostly statues and incense holders, to us. This is all new merchandise.. Rather than reprice everything, we are offering a flat 50% off the store's marked price. Some of the statuary has been sold, but there is still a good selection, especially of incense holders.

## Events

### Serendipity at Samhain

#### A Tarot Workshop

**Saturday, October 28th**

**10:30 AM – 1:30 PM**

A very generous donation of Tarot decks to the Seattle Metaphysical Library + a last-minute opening of the library space for the Saturday before Samhain = A combined Samhain Tarot workshop and large Tarot deck sale!

This is a great opportunity for students from the Wednesday night Tarot classes to join with other library patrons who share our passion for the Tarot. Help us bring in Samhain this year as we share Samhain traditions, Tarot Samhain synchronicities, a guided meditation, a spiritual Tarot spread and comparisons of Tarot decks old and new. And take home from this special workshop a great new Tarot deck or two!

### Report Back from Origins Conference

**Thursday, Nov 16, 7 pm**

**No charge**

Margaret Bartley, President of the Library, has been asked to give a talk when she returns from the Origins conference in London. We've been advertising this conference at the end of the newsletter, and it looks interesting to people, so some have asked her to give a report. This will be a small, Informal group discussion and Q and A.

**The Lost Art of Heart Navigation: A Modern Shaman's Field Manual**

By Jeff D. Nixa, J.D., M.Div.

Our most important task is to bring our vision and soul's purpose into the world. People experience soul loss in lives of endless motion, empty tasks, anxiety, and negative thoughts. Jeff Nixa explains how to practice the lost art of heart navigation to help you find your life purpose and spiritual identity, conquer the fear, doubt and criticism that stand in the way of that vision, and become a shamanic shapeshifter of your life.

Meet your power animals and consult with spirit guides, embark on shamanic journeys in the spirit world for help and information, slay your inner dragons of self-sabotage, find your personal spirit song, and create the joyful life that your heart is attuned to seek out.
